Property Name : Ellerslie (see: 576327 et al)

Location : 262+ Morton Road, west side

designed landscape	landscape: other
c. 1885	C Roll ---

Description: This lot was once part of the "Ellerslie" estate. It is currently wooded, though the young growth suggests that it was once cleared as a part of an overall designed landscape associated with the historic property. The lot includes varied terrain with rock outcroppings, ravines and portions that drop steeply at the Hudson River. Tenant houses are thought to have existed on this or adjacent lots though no visible remains were found.
